

PUBLIC NOTICE

Hwy 4 Speed Zone Change

The RM of Meota issued a Public Notice on November 21, 2023 to advise residents of an expanded 80km/h speed zone on Highway 4 south of Cochin. We received feedback that the legal description of the new speed zone provided by the Ministry of Highways was confusing. The new speed zone extends south of Days Road as per the map below. The new speed zone includes an advanced warning sign and “New” tabs on the sign posts.

The RM of Meota is supportive of initiatives to enhance safety on Highway 4.
Contact the CSO officer at (306) 892-0000 for inquiries on speed limits.
