

## **PUBLIC NOTICE**

### **WINTER WEIGHTS**

The RM of Meota follows the Province (Ministry of Highways) annual orders for both winter weights and spring road bans.

Winter weights are now off. The current legal weight limit in the RM is secondary until the Spring Bans come on which typically occurs the first week in April. The RM will issue a public notice once the date of Spring Bans is determined by the Province (Ministry of Highways).

For detailed information on allowable weights and to check the current restrictions, visit the Highway Hotline website:

<https://www.saskatchewan.ca/residents/transportation/highways/highway-hotline>  
or call 5-1-1

For more information you may also contact our CSO officer at 306-892-0000.
