## Winter Weights Order

The RM of Meota follows the spring road bans and winter weights orders issued by the Ministry of Highways.

Ministry of Highways just issued a notice that due to milder weather this fall, there will be a **postponement** of Winter Weight season in Saskatchewan. Winter weight season **WILL NOT** come into effect on November 16. **The Winter Weight season in Saskatchewan has been postponed until further notice.**

To stay informed on changes to winter weights orders please visit the Government Website <https://www.saskatchewan.ca/truckingweights>, the Highway Hotline <https://www.saskatchewan.ca/residents/transportation/highways/highway-hotline> or call the highway hotline at 5-1-1.

You may also contact the RM of Meota CSO officer at (306) 892-0000 for inquiries on winter weights within the RM of Meota #468.
