

PUBLIC NOTICE

Fitzgerald Road

Prince Access Change

Construction of the Fitzgerald Road to provide access to the Strathcona Meota Central SAGD facility is nearing completion. The Ministry of Highways required the removal of the existing access to Highway 26.

Vehicles travelling southbound on Ray Road will no longer have access across the highway to the King Road and need to use the alternate access.

Vehicles travelling northbound on the King Road will no longer have access across the highway to the Ray Road and need to use the alternate access.

The travelling public is advised to use caution on the newly constructed Fitzgerald access road as final traffic gravel operations continue and are expected to be complete by October 18, 2025.
